

Road Signs for the Journey

There is no Destination, the Journey is the Thing.

Special Issue – Winter Solstice, December 21, 2004

Welcome to this special issue of my newsletter for [Road Signs for self help and personal development](#) on the Winter Solstice.

As a special gift in this Holy Season

Please visit my web site at <http://www.swroadsigns.com> to download my new e-book in PDF format, *Peace on Earth, Goodwill to all*.

A Message from Sharon:

The message in my gift is one of Peace. As the year 2004 draws to a close, there is so much violence and fear in this world. How can that be? We say we want peace, we say we want every one to live in freedom, equality, good health, abundance. And then through our belief in war, bondage, sickness, and poverty, we end up creating the opposite of that which we want most.

In Joy we are connected with Universal Mind, with All That Is

All That Is is Love, Peace, Joy, Abundance. God is Love. God is Good. And God wants for all of us to live in connection with that eternal, unlimited Love, Peace, Joy and Abundance.

When we live in Joy, when we feel good, when we feel loving and expansive, and happy... that is when we are most connected with our Higher Selves, the spark of Divinity within.

Therefore when we are longing for Peace in our Hearts, we are longing for a closer connection with All That Is. We are longing to release the chains of doubt and fear and belief in separation that hold us in pain and suffering.

For when we truly know in our hearts that we are a part of All That Is, that we cannot be separate from Universal Mind, then we know Peace. We also know there is only Love, Health, energy, Joy and Abundance for that is what Spirit is – and Spirit is All That Is.

Claim for yourself and for our world only Peace, Love, and Joy. In this holy season feel the Divine Love, the Divine Peace that is our gift from the Universe.

Sending you Light and Love, and most of all JOY!
Sharon

[Sharon and Road Signs](#) - A painful divorce was a road sign for me to take another direction and create a new life. Choosing to create a new life has been a daily process - make a choice, feel how that feels, make another choice, make another decision - moment by moment, day by day. The only time is NOW. I have studied self help and personal development, as well as spirituality, all of my life and these studies, these tools, have seen me through dark times and helped me on my journey to self fulfillment, empowerment and joy. Now I am living many of my dreams and dreaming of more. I have never experienced more Joy than I do today and Life just keeps getting better. At Road Signs I share tools, ideas and information, books and resources that helped me along my way. <http://www.swroadsigns.com>
